INDY VINEYARD 2024  
CAPITAL CAMPAIGN

We believe that the Lord is leading Indy Vineyard Church to participate in a capital campaign in order to remodel our current meeting place. This campaign is about our individual and collective faith journeys as well as the way we respond to God's invitation and promises corporately. As a church, we have built our history with God by seeking his face. We are going to do so again in a concerted way.

We have been in this space for 16 years, regularly praying and looking for a building of our own to purchase. There are some ways in which we have not yet fully invested in being here. As we resumed the process of seeking God in earnest about the place He wants us to worship and invest, we hosted a week of prayer and sensed God leading us to “inhabit the space.”

---

THIS IS A TIME TO MAKE THIS SPACE OUR OWN AND CULTIVATE AN OWNERSHIP MENTALITY. AS WE DO SO, OUR TOP THREE PRIORITIES ARE WORSHIP, CHILDREN, AND COMMUNITY. THE FOLLOWING PAGES WILL PROVIDE A DETAILED BREAKDOWN OF THE COST FOR EACH AREA. WE’LL ALSO AIM TO ANSWER ANY QUESTIONS YOU MAY HAVE. IT’S IMPORTANT TO US THAT YOU CAN COME ALONG SIDE US IN THIS CAMPAIGN WITH CONFIDENCE AND EXCITEMENT FOR ALL THAT’S TO COME!

# Worship

INDY VINEYARD

Our worship space needs to be updated to be more conducive to the way we worship together and more inviting to those who call Indy Vineyard Church their home and to those looking for a place to seek and serve God. Authenticity and the presence of God in worship are what people most notice and love about our church. We want to have a space that facilitates and complements those qualities. Our space has physical limitations that present challenges with finding consistent sound levels and feeling cramped. We will make upgrades that will significantly minimize those challenges.

COST- \$500,000

Our second priority is our children. We want our children to be safe and for their parents to know their children are safe any time we gather in our building. The current setup has made security a concern and we have a plan to increase security. Our desire is to revamp this crucial space in our church so there is a protected entrance and exit for our Children's Ministry area. This will help the flow of dropping off and picking up children on Sunday morning and empower our volunteers to focus more on teaching our children and enjoy their time with the children!

COST- \$200,000

# Repurposing Space

The third location where community happens in our building is our coffee lobby. In September of this year we began renting the vacated suite between our Youth Room and Food Pantry. The staff offices and a counseling room will move into that suite. This move will allow us to remove the walls in the current office space and convert that into a larger lobby area. This will give more space to our art galleries, areas for people to connect before, during, and after the service, and a common meeting and work space during the week.

COST- \$400,000

## *Total Project Cost*

10

We have been working with T&W Design to get an idea of the scope and cost of this project. They told us that if we were to do everything we would like to do, the total cost would be \$2.8 million. We are asking you, the people of Indy Vineyard Church, to prayerfully consider what you are able to financially contribute to this campaign. We are asking that you pray and ask the Lord what he would have you pledge to give above and beyond your normal giving over the next two years to this campaign.

COST- \$1.1M
